## Nuvera Fiber Internet: Speed, Reliability, and Innovation

### Spring 2025 Fiber Construction Update

Spring has arrived, and with it comes the start of Nuvera's 2025 fiber internet construction season. This year, we're taking our commitment to reliable, high-speed internet to new levels by connecting more customers to fiber than ever before and offering up to 8 Gig for our residential customers!

Last year, Nuvera achieved a major milestone by increasing the number of customers connected to our cutting-edge fiber network by 58%. Our team successfully brought fiber internet to the new service areas of Olivia, Shakopee, Cokato, and Belle Plaine, ensuring more people could enjoy the benefits of superfast and dependable connections.

Building on this momentum, 2025 is set to be our biggest year yet. Over the coming months, Nuvera's state-of-the-art fiber network will expand into Waverly and Howard Lake. These communities will be getting access to fiber internet, known as the gold standard for unbeatable speed and reliability.

With Nuvera now offering 5 and 8 Gig speeds for our residential customers, our fiber internet offers unparalleled connectivity. Whether you're streaming, gaming, or managing a business from home, our service includes advantages like:

- No data caps
- Local customer service
- Professional installation

Excited to see the progress in your area? Visit our construction updates page at **[nuvera.net/construction/updates](https://nuvera.net/construction/updates)** for the latest developments.

Don't forget, if you are loving your faster Nuvera fiber internet, you can earn unlimited \$50 account credits by referring your friends, family and neighbors to Nuvera! It's easy to learn more and get started at [nuvera.net/refer-a-friend](https://nuvera.net/refer-a-friend).

Thank you for choosing Nuvera as your trusted partner in connectivity. We're proud to bring the best in technology to your doorstep.

## Nuvera Launches New Translation Service Line

Nuvera is excited to announce a new translation service designed to better support our non-English speaking customers. With this innovative offering, we're making it easier than ever to connect and communicate.

Here's how it works: If a customer contacts Nuvera and needs language assistance, they simply tell our team member which language they require. The Nuvera representative will connect with a professional translator via a conference call, ensuring smooth and accurate communication in real time.

This service reflects our commitment to providing reliable, inclusive, and high-quality support to all our customers, no matter their preferred language. We're proud to take this step in creating a more accessible experience for everyone we serve.

Minnesota Twins fans can now watch all the action on MLB and Twins TV, both included in Nuvera's Entertainment digital TV tier! Don't miss a single play. Watch in standard or high definition!
